

**THE INSTITUTE FOR POST-GRADUATE EDUCATION**

October 11, 2005

John E. Buonora, CRNA, MS  
President – Wisconsin ANA  
2420 Marathon Ave  
Neenah , WI 54956-4831

Dear John,

Thank you for your recent letter and for the very fine comments you made about our Organization.

You will be pleased to know that IPGE has been including language similar to what you have proposed for pharmacology credits on our certificates for several years. We also intend to include the number of pharmacology hours offered at each course on the program announcements which are published and mailed to the CRNA population. This information will also appear on the IPGE web site.

Again, thank you for your suggestion. We look forward to assisting the Wisconsin ANA Membership with timely and appropriate continuing education in the future.

Sincerely yours,

Bernard A. Kuzava, CRNA  
President and CEO
